To whom it may concern:

I strongly recommend Tornado Transit for any upscale transportation needs in Wichita. I have had the pleasure of doing business with Tornado Transit for the last two years. Mitchell's professional skills are second to none. The drivers are constantly pleasant, always on time and presentable. Tornado Transit has raised the bar on what to expect for transportation needs in the downtown area. Their consistent service at such a high level allows me to recommend Tornado Transit without hesitation to anyone in Wichita with luxury business transportation needs.

Sincerely,

Nicholas A. Yoxall
