

To Mitchell Weber and the staff at Tornado Transit:

I am writing this letter to let you know how much we appreciate you and your team at Tornado Transit. We finally have a transportation company that we can trust to be on time. Your drivers are always courteous and professional. Our guests here at the Wichita Marriott really enjoy the upscale transportation service that you provide. Our front desk team has had numerous comments from guest on what great service they receive from your staff. It has been a blessing to have Tornado Transit as a transportation option for our guest. For many years we have had to deal with local cab companies and had numerous problems with them. They are just unreliable and not very friendly at times. We thank you for your hard work and dedication and we hope to see your company grow into the number one transportation company in the city.
